MEMORANDUM FOR: DIRECTOR OF CENTRAL INTELLIGENCE

VIA: Deputy Director (Plans)

SUBJECT: US Doctrinal Program (PSB D-33/2)

25X1A

1. This paper results from the work of a panel chaired by Dr. [REDACTED] of the PSB, the CIA member of which was [REDACTED] of the Southeastern Europe Division.

25X1A

2. The paper points out the need for interdepartmental development of a program to improve the production and distribution of material emphasizing the positive aspects of the American philosophy and attacking hostile doctrines.

3. Basic tasks are outlined for all member agencies, except CIA, whose tasks are contained in the separate Annex B, which is also attached hereto.

4. In addition to the tasks contained in Annex B, the paper contains two specific proposals. These are:

a. The formation of an "International Doctrinal Institute" to be attached to some university. The paper states that the panel cannot now make a recommendation as to whether one member agency or the Board should provide the funds necessary to establish the institute, but expresses the belief that private foundations would continue such an institute after its reputation was established.

25X1C

5. A letter indicating your approval of the plan and the annex is attached for signature and transmittal to the PSB. Since both the plan and Annex B recommend that CIA give high priority to all activities supporting the objectives of this program, it was felt that the second sentence of the approval letter should be added to emphasize the fact that the high priority called for is not to be construed as an overriding one.
